About the Conference

IMSCON 2026 is the flagship national conference of the **Indian Menopause Society**, bringing together clinicians, researchers, and allied professionals dedicated to midlife women's health. This year, the Bhopal Menopause Society proudly hosts this prestigious event in the heart of India.

About the Conference Theme

Our Theme: 2nd Innings – Playing on the Front Foot: Embracing Menopause with Confidence

Menopause marks not an end, but a powerful new beginning — a second innings in a woman's life. Just like a seasoned cricketer who steps onto the field with wisdom, strategy, and renewed determination, women entering this phase are empowered with experience, resilience, and strength.

Playing on the front foot: Facing the challenges of menopause not with fear, but with proactive awareness and bold self-care. It's about taking charge of your health, making informed choices, embracing hormonal and lifestyle changes, and celebrating the freedom this stage brings.

Menopause is not a pause — it's a powerful play, a front-foot stride into the next vibrant chapter of life.

We warmly welcome you all from the Heart of India — Dil Se!

Bhopal – The City of Lakes and Legacy

Bhopal, nestled in the heart of India, is a city where natural splendor and cultural richness go hand in hand. Famously known as the City of Lakes, its serene landscapes are matched by a deep and diverse historical legacy.

The region surrounding Bhopal has been a cradle of ancient Indian civilization, with nearby sites like Bhojpur, home to the majestic Shiva Temple built by Raja Bhoj in the 11th century — a symbol of devotion and architectural brilliance. The city's name itself is believed to have originated from "Bhojpal," referencing the legendary Raja Bhoj.

Temples such as Birla Mandir, Lakshmi Narayan Temple, and the spiritual atmosphere of nearby Sanchi Stupa reflects the city's deep spiritual and philosophical heritage.

Bhopal stands as a unique tapestry of ancient values, royal legacies, and modern aspirations - **Welcoming all with warmth, wisdom, and grace.**
